

UNIVERSITIES

PROPERTY RESTORATION SERVICES

Universities and colleges are at risk and vulnerable to disasters. Most face multiple issues such as the safety and security of students and faculty, maintaining academic excellence amidst the chaos, and rebuilding with tight deadlines and budget restraints.

Many colleges and universities choose BELFOR, the largest disaster recovery and property restoration company in the world, as their recovery partner - working side-by-side with their facility teams.

From dormitories and libraries to lecture halls, cafeterias and gymnasiums, BELFOR has the experience, resources and equipment to help repair, rebuild and restore campus life back to normal following any disaster.

UNMATCHABLE EXPERIENCE

After Hurricane Katrina, BELFOR restored more than 100 buildings at Tulane University in 122 days - over 95% of the campus and more than 60 buildings.

PROPERTY RESTORATION

RESTORING MORE THAN PROPERTY

STANDARDS AND CODES

BELFOR strictly adheres to all industry standards as well as government regulations and local building and/or environmental codes.

REMODELS AND RENOVATIONS

As a full-service general contractor, BELFOR maintains strong relationships with a network of skilled contractors. BELFOR can repair, rebuild and restore your business operations from the roof to plumbing, carpentry, electrical and mechanical systems.

DOCUMENT RECOVERY

BELFOR is the industry leader in document recovery. No other restoration company can match the equipment, knowledge or services offered by BELFOR.

When the historic Hale Library on the campus of Kansas State University suffered a roof fire, more than 1.2 million books in its collection had to be removed, cleaned, dried or restored. BELFOR helped finish the project - which included emergency repair services - in 18 weeks.
