

SENIOR LIVING

PROPERTY RESTORATION SERVICES

For the millions of Americans who need the services of senior living, assisted living or skilled nursing care centers, quality of life is determined by many different and individual factors.

Personal safety and financial security are two of the key decisions for day-to-day living. A disaster or financial loss can be a huge burden on residents and property owners.

Property managers and administrators must develop and be prepared to initiate emergency plans that will protect and retain at-risk residents while safeguarding the continuity of business operations.

BELFOR is at your service and ready for any disaster - large or small - 24 hours a day, 365 days a year. For rapid response and proven results, count on BELFOR to be your disaster recovery partner. Count on BELFOR for the "peace of mind" residents and staff deserve.
